

# Springfield Summer League Lacrosse

Springfield and Republic Lacrosse Players! Congratulations on your success this year. It is awesome to see the fastest game on two feet gaining popularity in the area. If you thought that you had to wait another nine-months to start playing lacrosse again – have no fear – SUMMER LEAGUE IS HERE!

We are going to have seven weeks of recreational play. The games will involve high school players, a few college players, former players, and a few out-of-shape coaches. :-). The older players will take it easy on the younger players to make this a fun experience for everyone. The college players and coaches will be playing with the younger high school players and will provide an opportunity for the high school players learn from them. There will not be any reason for concern that the younger smaller players will be put in any sort of jeopardy by stepping on the field with older, bigger, more experienced players.

The format will be a recreational scrimmage where teams will be divided up as fairly as possible. The games will be officiated by players and the games will be made up of two 30-minute running-time halves. The games will start at 7PM and will be over by 8:15PM every Tuesday night **starting June 5<sup>th</sup>**. At the **Kings Street Field**. *If you have questions, please call Daren Turner at 894-4973.*

Each player will be given a reversible jersey that they will use during the season. **The cost will be \$35 per player.** *If you played last summer and still have your jersey it will be \$20.* These costs will be used to line fields, provide game balls, referees, and the cost of the reversible jerseys.
